Avon, IN 46123

Check in with the desk attendant to place your order. If you choose to submit your order in-person, you have the option to pay by credit card with the addition of a \$3.00 processing fee.

DELIVERY SCHEDULE / MISCELLANEOUS INFORMATION

In-Town Deliveries: Trees are tentatively scheduled for delivery on Saturday, May 7th. Delivery date is subject to change. We do not provide specific delivery times or call before delivery. Trees are placed between the curb and sidewalk at the delivery address. Trees are placed behind the curb for locations without a sidewalk.

Out-of-Town Pick-Up Deadline: Out-of-town residents must pick up tree orders on Saturday May 7th, 2022 between 10:00am – 12:00pm at Avon Town Hall (6570 E US Highway 36). This is the only time trees will be available to pick up. For liability reasons, we are unable to load trees into your vehicle. The Town of Avon is not responsible for orders left on the lot after the 12:00 pm pick-up deadline. Orders continuing to remain on the lot 24 hours after the pick-up deadline the town are assumed to become property of the Town of Avon.

Tree Maintenance: Once trees are picked up or delivered to residents, it is no longer the responsibility of the Town of Avon to care for your tree. At this point, you are responsible for all tree care and maintenance.

In-Town Address Verification: Residents participating in this program should verify that they live in incorporated town limits. Residents with an Avon mailing address do not necessarily live in incorporated town limits. Avon only provides delivery for those residing in incorporated town limits. To verify whether you reside within town limits, please visit <https://beacon.schneidercorp.com/>. Click search and then search for your address. The address is within incorporated town limits if the Tax District is "Town of Avon."

No Leaves on Trees: It may be too late in the season for your tree to retain all its leaves. Your tree may be delivered or picked up with few or no leaves.

Questions: If you have any additional questions, please call (317) 315-7080.

TREE SELECTION AND PRICES

All trees are grown and delivered in containers or bags. Height and caliper vary.

Note: if you have a suggestion for a species you would like to see included, please let us know and we will see if the species is available. Preference is native species. Please take time to do your own research on trees/shrubs. You may visit <https://www.arborday.org/> to learn more about selections below.

Ornamental Trees:

Name	Size	Price Each
 Ivory Silk Lilac	15 gallon.....	\$135.00
<i>Ivory Silk Japanese Tree Lilac is among the top contenders for ornamental trees. A fine addition to any landscape, Ivory Silk's small stature makes it particularly useful on sites with overhead restrictions such as power lines. It's also very popular as a garden specimen or an accent in a shrub border. This tree performs best in moist, well-drained soil, but it has proved quite adaptable. It can tolerate dry sites, alkaline soil, and even road salt. These feats have allowed it to be urban approved and considered an eligible street tree. However, something to keep in mind is the 'Ivory Silk' is rather drought intolerant.</i>		
 Peach Frost.....	15 gallon.....	\$85.00
<i>Frost proof peach trees, known more commonly as frost peach trees, produce juicy and sweet peaches (Prunus persica), like other peach varieties. However, this tree differs from other peach tree varieties because it's resistant to frost and peach leaf curl, two of the most common destroyers of peach trees.</i>		
 Perfect Purple Crabapple	15 gallon.....	\$105.00
<i>malus perfect purple: Perfect Purple is a relatively new variety of crabapple. It is an upright variety that has purple leaves and a bright pink bloom. In fall, the leaves will turn bright red to complement the small, red to purple fruit. It is highly resistant to the common crabapple diseases.</i>		
 Autumn Brilliance Serviceberry	25 gallon.....	\$165.00
<i>The Autumn Brilliance serviceberry thrives in USDA zones 3 to 9. They require a spot in full sun or partial shade. For the best color and fruit, the Autumn Brilliance needs at least four hours of sunlight. ... The Autumn Brilliance serviceberry does need well-draining soil.</i>		
 Winter King Hawthorn	15 gallon.....	\$120.00
<i>'Winter King' hawthorn is a small, tough tree that ranks among the best of the many hawthorn varieties for landscape use. Like the cockspur hawthorn, green hawthorn has thorns, but it grows to 20 to 30 feet tall and is rounded in habit. This tree develops a wide round to pyramidal crown and has persistent red fruits and multi-colored, flaky bark. It is used as a specimen plant in the landscape. White flowers appear in mid-May after the leaves emerge. Red fruits ripen in September and persist into the winter. Fall color can range from purple to deep red. The green hawthorn is a small ornamental flowering tree; its cultivar 'Winter King' is suggested for use. It is adaptable and suitable for planting in urban environments.</i>		

DECIDUOUS TREES:

 Canada Red Chokecherry	15 gallon.....	\$95.00
<i>This tough, hardy, and colorful ornamental chokecherry is perfect for difficult spots, tolerating heat, cold, wind and poor soil. Each new flush of bright green leaves turns bright reddish purple, providing striking color throughout the growing season. The arching branches develop an evenly rounded crown, creating an attractive silhouette even when dormant. Deciduous.</i>		
 Red Sunset Maple.....	20 gallon.....	\$145.00
<i>Acer rubrum (Franksred): Red Sunset is a red maple cultivar with superior fall color and good branch structure. Winter buds, clusters of small winter spring flowers, leaf stems, twigs, and winged summer fruits are all reddish colored. The glossy green leaves persist on the tree turning orange-red to brilliant red in the fall. Red Sunset grows moderately fast, 45'-50' high with a 35'-40' spread. It adapts to a wide range of climates and soils, but requires acid soil and is salt-sensitive. It prefers a moist site and tolerates full sun to partial shade. zones 4-8.</i>		
 Brandywine Maple.....	15 gallon.....	\$105.00
<i>Acer rubrum brandywine: Acer rubrum 'Brandywine' The U.S. National Arboretum is pleased to present Acer rubrum 'Brandywine', a red maple. with long lasting, eye-catching fall color. Autumn coloration begins in mid-fall and lasts up to 14 days or more, gradually turning from red to a brilliant red-purple.</i>		
 Heritage River Birch	20 gallon.....	\$105.00
<i>Betula nigra 'Heritage' is a beautiful river birch prized for its incredible peeling bark. ... Perfect for wet soils, 'Heritage' can tolerate locations with drier soils and is extremely resistant to bronze birch borer and leaf spot diseases. Grows up to 40-70 ft. tall (12-21 m) and 40-60 ft.</i>		

Princeton Elm..... 20 gallon.....\$130.00

Calling all elm lovers! The Princeton elm is a fast-growing shade tree that has good resistance to the Dutch elm disease that has been attacking the beloved American elm in neighborhoods across the country. Tolerant of many site conditions, this tree is a great choice for urban and suburban planting.

Imperial Honey Locust 15 gallon.....\$120.00

Plant Description: Medium sized rounded deciduous tree. Although the species has thorns and large pods, this variety has no thorns and does not usually produce pods. The leaves are fernlike and composed of numerous leaflets making fall clean-up easy.

Shrub Selection and Prices:

Name	Size	Price Each
Blue Muffin Viburnum	03 gallon.....	\$26.50
<i>viburnum dentatum: Blue Muffin™ is a useful viburnum variety. ... The remarkably intense blue fruit that inspired the Blue Muffin™ name appear in late summer and fall. The fruit add interest to the fall landscape, and attract songbirds to the garden. Berries are not edible.</i>		
Summer Wine Ninebark	03 gallon.....	\$26.50
<i>physocarpus op: Season long purple foliage is covered with soft pink flowers in late summer. Adaptable and easy to grow, with excellent resistance to powdery mildew, this native is a useful landscape shrub and also makes an attractive cut flower.</i>		
Autumn Magic Black Chokeberry	03 gallon.....	\$19.00
<i>aronia melanocarpa: The Autumn Magic Black Chokeberry is a deciduous shrub growing to around 6 feet tall and wide. Bushy, with branches rising from the ground, it is a selected superior form of a native American shrub, so it's the perfect choice for natural gardens and wooded areas, as well as for the back of shrub beds. It thrives in wet ground, so plant it along streams, in low lying areas, and use it on slopes for erosion control. The plump berries make tasty jellies and juices, and they are packed with antioxidants, vitamins and minerals.</i>
